this book deals with greek lyric composed more than twenty five centuries ago these poems sing of everyday events and emotions in human life from the most

festive to the most serious presenting a living portrait of the ancient greeks this multidisciplinary volume begins with a panorama of greek lyric poetic genres their main authors and their representative topics the first part contains philological studies and literary analyses first of some greek poets anacreon sappho and lycophron among others then of their influence on horace s latin poetry and on contemporary poetry the second part illustrated with colour images studies greek lyric from socio political and iconographic perspectives analysing its coincidences and reflections in images from greek pottery sculptures and reliefs in addition this section includes two works on musical theory and composition related to ancient greek lyric the volume closes with two studies of the image of sappho in cinema

the bibliotheca of pseudo apollodorus perhaps the best known mythographic text stands out for its comprehensive aim and state of preservation the handbook has regularly been disregarded as a repository of standard myths or as a primary witness to archaic stories a reductive view at once underestimating and romanticizing the merits of the bibliotheca this monograph unlocks the bibliotheca as a literary work in its own right by offering the first systematic commentary on an essential selection the cretan and theban myths in bibl iii 1 56 and by presenting an in depth analysis of the text in so doing this volume closes a gap in current research from which a philological commentary is entirely missing the main part of the study focuses on various aspects of composition and organization by addressing structuring principles narratorial interventions and the author s method and sources it lays to rest persistent misconceptions about the representative character of the bibliotheca s myths the author s merits and his source use all of which have divided the scholarship to this date in addition it provides an update on the author date purpose and readership text history and book division of the bibliotheca
